

Our Dance Program & Philosophy

Since its inception in 2003, Laura East's Ferndale Dance Academy has become a vibrant center for dance in Humboldt County. For children and teens, dance classes are ideal for developing strength, discipline, concentration, and coordination. It is about more than dance; it is about developing the confidence and character that are integral to success no matter what the pursuit.

The Ferndale Dance Academy provides a warm and supportive environment for young people to build self-esteem, stretch their bodies and minds, and express their individuality.

Our classes cater to many age and skill levels and incorporate excellent training with creativity, musicality, and fun.

We also offer:

- Annual Performances at FRT
- Scholarship Program
- Assistant Instructor Apprenticeships
- Annual Field Trip
